

CONSENT AGREEMENTS, REPRIMANDS, SUSPENSIONS

FY '13

JULY '12 - JUNE '13

The information on this web site may change before the update has reached the web page. Prior to taking any actions related to the information on this page, contact this office for more information. You may contact the Board by phone at (304) 558-3596, by mail at 101 Dee Drive, Suite 102, Charleston, WV 25313-1620, or by e-mail at rnboard@wv.gov. Requests for copies of documents must be made in writing. Clearly state your request and provide a name and address where the information may be mailed.

A **Consent Agreement** is a settlement agreement between the Board and the licensee. The agreement is the result of an informal settlement of a complaint filed against a licensee. Consent Agreements with a Probation requirement generally include certain restrictions in the practice of a registered professional nurse. Time is counted toward the required probationary period only while the individual nurse is working as a registered professional nurse. If an individual does not work for a period of time, this time is not counted toward the probation requirement. Therefore, some individuals may have a probation license longer than the dates may suggest.

A **reprimand** is the least restrictive disciplinary action the Board takes against a license. A licensee can practice if a reprimand has been issued against the license.

A **suspension** is generally the result of a violation of a contract between the licensee and the Board. A licensee **cannot practice** nursing while the license is suspended.

A **Summary Suspension** is an action taken by the Board when a licensee is considered an immediate threat to public safety. A licensee receiving a Summary Suspension **cannot work as a nurse or represent themselves as such.**
