

# CE Broker Mobile App Makes CE Compliance Easier

Use the CE Broker mobile app to find, track and report your continuing education with ease—anytime, anywhere. Enjoy an even better experience with the recently released update for iOS. The App features easy to use “Swipe to Continue” screens for quickly reporting CE completions, a simple yet powerful course search, and a freshly redesigned Transcript for Professional accounts. Everything you need for CE Compliance in a single platform.

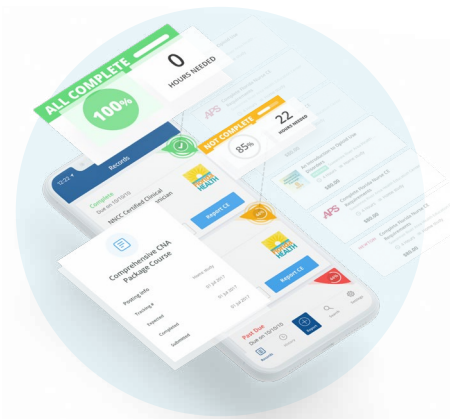

CE Broker Mobile Applications are always free to download for Apple or Android devices.
