

How to report a best prescribing continuing education exemption?

West Virginia Board of Examiners for Registered Professional Nurses (Board)

A Board approved exemption fulfills the best prescribing and drug diversion continuing education requirement for those that do not prescribe, administer or dispense controlled substances during a RN license renewal timeframe.

To file your exemption:

1. Log into your CE Broker account, click **Manage License** and then **Report CE**

The screenshot shows the CE Broker user interface. At the top, there is a navigation bar with the 'cebroker' logo, 'Dashboard', 'Course Search', 'My learning', and a 'NEW' badge. On the right side of the navigation bar, there is a 'TRY PRO FOR FREE' button, an email icon, and a settings icon. Below the navigation bar, the user's profile is displayed as 'Registered Nurse' with a profile picture and the license number '99999992'. A red arrow points to a green button labeled '+ Report CE'. Below the profile, there are two tabs: 'OVERVIEW' and 'TRANSCRIPT'. A promotional banner for a 'Pain Management CE course' is visible, featuring a course image and text: 'Trending CE - ANCC Approved PAIN MANAGEMENT ANCC approved CE - Reports to CE Broker automatically! View course'. Below the banner, there are two main sections: 'License details' and 'COMPLIANCE STATUS'. The 'License details' section contains a table with the following information:

License details	
State	West Virginia
License #	99999992
CE Cycle	11/01/2019 - 10/31/2020

The 'COMPLIANCE STATUS' section shows 'Not completed' in orange text, followed by a warning icon and the message: 'We'll show you exactly what you still need in your custom compliance transcript.' Below this, there is a blue button labeled 'Show me what i'm missing →'.

2. Click the **Report Exemption** tab
3. Enter the CE Cycle you are reporting the Exemption (typically will be the current cycle)
4. A list of available Exemptions will display, locate Exemption #1 and Click **Begin**

Report Continuing Education

Report CE/CME **Report Exemption 2**

Select CE cycle: **3**

1. Licensee does NOT prescribe, administer or dispense controlled substances **4**

BEGIN

You will need to create a waiver document, sign and date it, then upload it as the last step of filing the exemption.

Below is the text you can use to create that document. This screen displays after clicking Begin in the previous step. Click **Continue** to Proceed.

Requirements

1. Licensee does NOT prescribe, administer or dispense controlled substances

Licensees are to sign and date a CE waiver request in writing that says the following:

I request a waiver of the best prescribing drug diversion training continuing education because I did not prescribe, administer or dispense controlled substances during the RN license renewal timeframe of November 1, YYYY thru October 31, YYYY.

Signature, License Number and Date

Instruction: Upload scanned copy of a written CE Waiver request to your CE Broker account. Save the signed copy of your best prescribing exemption along with your original hard copy CE certificates of completion for the license renewal period in case you are audited by the Board.
