WEST VIRGINIA BOARD OF REGISTERED NURSES

LAPSED RN, APRN AND DIALYSIS TECH LIST

- IMPORTANT –

If your name appears on this list then your RN or APRN license or Dialysis Tech certification has lapsed or gone inactive on 06/30/2026. To regain your active certification status, **YOU MUST FILL OUT THE ONLINE RN, APRN OR DIALYSIS TECH REINSTATEMENT APPLICATION**.

The APRNs on this list have expired because the APRN license depends on their RN license, which also has lapsed.

The RN and APRN reinstatement applications can be accessed through your nurse portal account.
Questions - please send a secure message through your Nurse Portal Message Center.
