

WEST VIRGINIA BOARD OF REGISTERED NURSES

LAPSED RN LIST

- IMPORTANT -

If your name appears on this list then your APRN license has expired on 10/31/2019. To regain your active license status, **YOU MUST FILL OUT THE ONLINE RN REINSTATEMENT FORM.**

If you have an Advanced Practice license with your RN license as a prerequisite then your Advanced Practice license has lapsed as well. If you had prescriptive authority privileges, they have also lapsed and will also need to be reinstated.

The RN and APRN Reinstatement Form can be accessed through your nurse portal account.

Questions - please send a secure message through your Nurse Portal Message Center.
